Sewickley Heights History Center

The History Center will be part of this year's tour. Here, visitors will learn about the lifestyles of local residents during the late 1800's and early 1900's. Frequently, Pittsburgh industrialists and business leaders would have summer homes in Sewickley to get away from the pollution of Pittsburgh. Wonderful traditions took root at that time including the Horse Show, The Hunt, and the Riding and Driving Party. The History Center features equestrian exhibits, antique car and carriage exhibits, historic videos, photos of the great estates and much more. The famous Child Health Gingersnaps will be served along with lemonade and Three Rivers cookbooks will be available for purchase.
